It is essentially making history by manufacturing quality Gypsum board and PVC Laminated Ceiling Tiles in Pakistan. We manufacture a comprehensive range of high quality Gypsum board and Gypsum tiles under DFB Brand, utilizing the best materials coupled with precision engineering. This starts from the production process using excellent raw materials and state of art technology (imported from Germany, Taiwan and China). In Pakistan, gypsum rocks are found in enormous quantity. Our production capacity is 4 million 2 per year. We have the concrete resource support from international engineers backed by dedicated 250 workers.</p> | Gypsum Board, Gypsum Tiles. |
