**REVISE COVID-19 GUIDELINES CONCERNING INBOUND**  
**TRAVEL TO PAKISTAN**

Reference is made to our letter of even number dated November 04, 08 and 27, 2021 providing Categories of Countries List and Revised Guidelines/testing protocols concerning inbound travel to Pakistan.

2. In view of the prevalent COVID-19 situation across the globe, the policy for categorization of air travel and Cat C list (**Annex-A**) has been revised by the Competent Authority for inbound travel to Pakistan. Accordingly, following guidelines for inbound travel to Pakistan will be applicable with effect from **mid night 08 December, 2021 (0001 PST)**:

**General Health/Testing Protocols for inbound travel to Pakistan:**

- Only fully 100% vaccinated passengers coming from Cat A, B & C countries will be allowed to travel inbound Pakistan.
- All passengers of 06 years and above (local/foreigners) coming from any country would be required to possess a valid negative PCR report conducted within 48 hours prior to commencement of travel to Pakistan. However, Deportees would be exempted from PCR test/report requirement.
- Passengers transiting through **KSA, UAE and Qatar** will randomly be subjected to Rapid Antigen Test (RAT) on arrival to Pakistan to ensure prevention from Omicron variant through indirect flights.

**Health/Testing Protocols Specific to Cat C Countries:**

- There will be a complete ban on inbound travel from Cat C countries.
- Passengers from Cat C countries would only be allowed to travel inbound Pakistan upon obtaining **exemption certificate** from exemption committee as per procedure in vogue.
- All passengers of 06 years and above, travelling via direct/indirect flights from Cat C countries would be subjected to Rapid Antigen Testing (RAT) on arrival to Pakistan.
- Passengers with negative RAT result will be allowed to proceed. However, Passengers with negative RAT result arriving from **Omicron variant**

**Countries (highlighted in Cat C Annex-A)** will be required to undergo **3 days mandatory quarantine** followed by PCR test to be conducted on **3<sup>rd</sup> day** by Civil Administration.

- e) Passengers with positive RAT result will be quarantined for **10 days** and RT PCR test will be conducted on **08<sup>th</sup> day of quarantine**. In case of negative result, passengers will be allowed to proceed home. However, in case of positive result, the passenger will either undergo **additional quarantine or will be shifted to hospital as per advice of health authorities**.

#### Health/Testing Protocols Specific to Cat B Countries:

- a) Passengers arriving from Cat B will be subjected to RAT test on random basis.
- b) Passengers with negative RAT result will be allowed to proceed.
- c) Passengers with positive RAT result will be quarantined for **10 days** and RT PCR test will be conducted on **08<sup>th</sup> day of quarantine**. In case of negative result, passengers will be allowed to proceed home. However, in case of positive result, the passenger will either undergo **additional quarantine or will be shifted to hospital as per advice of health authorities**.

#### Exemption/Waiver

In order to **facilitate stranded Pakistanis**, following relaxation has been approved by the Competent Authority:

- a) Pakistanis would be allowed to travel from the Cat C countries without the requirement of exemption certificate from the exemption committee till **15<sup>th</sup> December, 2021**. However, all applicable provisions as mentioned above with regards to travel from Cat C countries would remain effective.
- b) Pakistanis already travelled/travelling to Cat C countries on short term visa as well as deportees would also be permitted to travel back to Pakistan without the acquisition of exemption certificate.
- c) Pakistanis travelling from any country, who are unable to get vaccinated abroad due to any of the following reasons would be exempted from mandatory vaccination after producing valid proof to airline/immigration authorities before boarding:
  - i. Expired Visa/Emirates ID or illegal immigrants/deportees
  - ii. Pending court cases
  - iii. Medical conditions/issues
  - iv. Pregnancy
  - v. Partial vaccination from Pakistan.

3. Notwithstanding anything mentioned above, all inbound passengers to Pakistan from Cat C countries may be subjected to additional health protocols as determined by
